## EXTENSION CARE

### WASHING

BEFORE WASHING, THOROUGHLY BRUSH HAIR TO REMOVE ANY TANGLES. GENTLY HAND WASH WITH SULFATE-FREE AND PARABEN-FREE SHAMPOO AND LUKEWARM WATER. NEVER RUB THE ENDS OF THE HAIR TOGETHER WHILE WASHING. REPEAT AS NEEDED, THEN ADD CONDITIONER AND LEAVE IN FOR 5 MINUTES. AVOID GETTING CONDITIONER ON THE BOND OF THE HAIR EXTENSIONS. BE SURE TO COMPLETELY RINSE AWAY SHAMPOO AND CONDITIONER.

### DRYING

GENTLY SQUEEZE OUT THE EXCESS WATER AND BLOT WITH A COTTON TOWEL. USE A LARGE WIDE TOOTH COMB TO DETANGLE AND STRAIGHTEN WHILE EXTENSIONS ARE DAMP.

### STYLING

LACED HAIR CAN BE STYLED USING A BOAR'S HAIR BRISTLE BRUSH (WET BRUSH), FLAT IRON, OR CURLING IRON. BRUSH REGULARLY (WHILE BRUSHING, HOLD BASE OF SCALP WHERE THE EXTENSIONS ADHERE TO THE NATURAL HAIR WITH OPPOSITE HAND)

**FOR BEST RESULTS, WE RECOMMEND THE FOLLOWING:**

- USE ONLY SULFATE-FREE + PARABEN-FREE PRODUCTS
- USE SPRAY LEAVE-IN-CONDITIONER OR MOISTURIZER ON EXTENSIONS TO KEEP FROM TANGLING OR DRYING OUT
- BRAID EXTENSIONS BEFORE BED + SLEEP ON SILK PILLOW

### WATER ACTIVITIES

GET YOUR HAIR WET BEFORE ENTERING AN OCEAN, LAKE OR POOL. WE SUGGEST YOU ALSO COMB AND BRAID YOUR HAIR BEFORE ENTERING THE WATER. RINSING IMMEDIATELY AFTER LEAVING THE WATER. FOR EXTRA MEASURE WASH WITH A CLARIFYING SHAMPOO AFTER WATER ACTIVITIES

DURING VACATION + SUMMER PLEASE USE CAUTION WITH APPLYING SUNSCREEN. SOME SUN SCREENS, INCLUDING SPRAY SUNSCREEN HAVE CHEMICALS THAT CAUSE DISCOLORATION TO THE HAIR. WE SUGGEST A VEGAN OR ALL NATURAL NON AEROSOL SUNSCREEN TO PREVENT DISCOLORATION.

### COLORING & TONING

WE DO NOT SUGGEST DYING EXTENSIONS, AS IT CAN ALTER THE INTEGRITY OF THE EXTENSIONS. IF YOU DO CHOOSE TO, WE SUGGEST USING A DEMI OR SEMI PERMANENT COLOR. IF YOU CHOOSE TO TONE PLEASE WATCH CAREFULLY. ALL COLORING TO EXTENSIONS SHOULD BE DONE PROFESSIONALLY.
